

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: Andrew Dware
DOCKET NO.: 02-20706.001-C-1
PARCEL NO.: 25-31-103-008-0000

The parties of record before the Property Tax Appeal Board (PTAB) are Andrew Dware, the appellant, by attorney William I. Sandrick of the Sandrick Law Firm, LLC of Chicago and the Cook County Board of Review (Board).

The subject property consists of an 85 year old, one-story, masonry, 4,320 square foot class 5-17 commercial building situated on 17,769 square feet of land located in Calumet Township Cook County.

The appellant, through counsel, submitted evidence before the PTAB claiming that the subject's market value is not accurately reflected in its assessment. In support of this argument the appellant submitted an appraisal dated January 1, 2003 containing the sales comparison approach to value and arriving at a market value of \$129,500.

In the sales approach the appraiser used four sales of class 5-17 commercial properties ranging in size from 4,320 to 6,629 square feet and built between 1910 and 1956, sales that occurred between March 2000 and December 2002 for prices ranging from \$116,000 to \$209,000 or from \$26.85 to \$35.71 per square foot and after appropriate adjustments arrived at a value of \$30.00 per square foot or a rounded value of \$129,500 via the sales comparison approach.

Based upon this evidence, the appellant requested a reduction in the subject's total assessment to reflect the reduced market value.

The board of review submitted "Board of Review-Notes on Appeal" that disclosed the subject was assessed at \$62,623 which reflects a market value of \$164,797 or \$38.14 per square foot as factored

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the COOK County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$11,016
IMPR. \$38,194
TOTAL: \$49,210

Subject only to the State multiplier as applicable.

PTAB/TMcG. 7/08

by the Cook County Ordinance level of 38%. The board submitted evidence in support of its assessed valuation of the subject property. As evidence the board offered five sales of commercial buildings ranging in size from 3,133 to 6,000 square feet that occurred between January 2000 and January 2003 for prices ranging from \$200,000 to \$465,000 or from \$35.71 to \$84.21 per square foot of land and building. No analysis and adjustment of the sales data was provided by the board. Two of the sales are beyond the assessment date.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal.

When overvaluation is claimed the appellant has the burden of proving the value of the property by a preponderance of the evidence. *Property Tax Appeal Board Rule 1910.63(e)*. Proof of market value may consist of an appraisal, a recent arm's length sale of the subject property, recent sales of comparable properties, or recent construction costs of the subject property. *Property Tax Appeal Board Rule 1910.65(c)*.

The PTAB finds that the appellant has met this burden and has submitted the best evidence of market value. The appellant's appraisal indicates that the subject property was valued at \$129,500. Since the market value of the subject has been established, the Cook County Class 5a property assessment of 38% will apply. The subject's total assessment should not be in excess of \$49,210, while the subject's current total assessment is \$62,623.

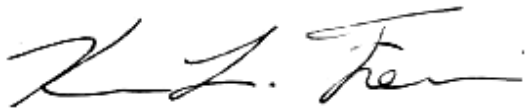

The PTAB gives less weight to the board's sales evidence because it lacks analysis and a supported conclusion of value and two comparables are beyond the assessment date.

As a result of this analysis, the PTAB finds that the appellant has adequately demonstrated that the subject property was overvalued and that a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
